### Terms and Conditions :

1. The Intellectual Property disclosure will inform users that the contents, logo and other visual media you created is your property and is protected by copyright.
2. A Governing Law will inform users which laws govern the agreement. This should be the country in which your company is headquartered or the country from which you operate your website and mobile app.
3. The Intellectual Property disclosure will inform users that the contents, logo and other visual media you created is your property and is protected by copyright laws.
4. If your website or mobile app allows users to create content and make that content public to other users, a Content section will inform users that they own the rights to the content they have created. The "Content" clause usually mentions that users must give you (the website or mobile app developer) a license so that you can share this content on your website/mobile app and to make it available to other users.
